**What is Going On Tonight**  
St. Jean Baptiste Society, St. Mary's Hall, Willimantic Woman's Club (afternoon).  
Francis S. Long Post, No. 36, G. A. R. Town Building.  
Annual Meeting Business Men's Association and Board of Trade.

**BALLOTS NUMBERED 2,002.**  
Largest Number of Votes Ever Cast in More Town Election.

A bright, pleasant election day, with both parties working, and the license and no-license men striving hard to get out the vote, accounts for the fact that Windham polled the largest vote in its history in a town election. There have been more votes cast in presidential years, but the 2002 registered at five o'clock when the polls closed is the biggest ever in a more town election.

Mr. W. P. S. Keating cast the first ballot shortly after the polls opened in the morning, and the voting was normal up to about ten o'clock, when 680 votes had been cast. From then on it came with a rush, and over eleven hundred were registered at one o'clock. In the afternoon there was no letup, and it was early seen at both democratic and republican headquarters that an immense vote would be cast. Nineteen hundred was freely predicted, but as the time rolled by, it was seen that the total would be

close to two thousand, and that number was exceeded by two.

The women cast 283, a large vote for them, but not a record breaker by any means.

Both parties worked hard all day, and while a big vote is said to be republican, the democrats were confident they had carried the day, while the republicans conceded that the result would be very close.

**Counting Slow.**  
On account of the large number of ballots, and the expected splitting, the counting was slow. Last year it was three thirty a. m. when the result was finally announced.

Many automobiles were used all day in getting out the vote, and many thought the license vote was close. At any rate, those in favor of license waited no chance, and it was claimed that they brought out a large democratic vote as well. Democratic leaders claimed the election as soon as the polls closed.

One of the prohibition voters took Chief E. H. Richmond on a tour of inspection of the alleyway just north of Spelman's store on Church street, and out around through the Turner building onto the street again, presumably in search of evidence that liquor was somewhere thereabouts, but with no result. This was about three o'clock in the afternoon.

The republicans had their headquarters in the vacant store in the Chronicle building, and the democrats in Greene's barber shop on Church street. The license men used the Methodist church as their headquarters. During the noon hour an appetizing chowder dinner was served to all voters in the Methodist church parlors.

For the first time in the history of the town, at least in recent years, a minister acted as one of the officials at the polls. Rev. W. O. Nuzum, officiating at the license ballot box. The officials were:

Michael F. Sullivan, moderator; Louis B. Lincoln, checker for town ballots. Daniel Courtney is town ballot box tender. License vote checker, William B. Sweeney; license ballot box, Rev. W. O. Nuzum. Alfred P. Abbe is checker of woman's ballots and James Shea was box tender for woman's ballots. Clement Hurta was checker of constitutional amendment voters and Edward Flynn was in charge of the constitutional amendment ballot box. Eugene J. Randall was challenging for the republicans and Michael F. Paley for the democrats. The distributors of license and no-license ballots were John S. Sullivan and Edwin Russ. The distributors of town ballots were Adolph Vail and Frank Cheney. Distributors of constitutional amendment ballots, Daniel Clark; both tenders, John P. Doyle and Louis Desnoeuvre. Robert Pickett was door tender.

### CAR STRIKES CHILD.

Yvonne Therrien Ran in Front of A. M. Grant's Automobile—Taken to Hospital.

Yvonne, the nine year old daughter of Mr. and Mrs. Isaac Therrien of 455 Main street, is in St. Joseph's hospital as the result of an accident which occurred about quarter of twelve on Monday morning on Jackson street.

A. M. Grant of Mt. Hope was driving north on the street, in his touring car, and slowed down in the rear of several teams which were going in the same direction. His machine was a few feet from the curb, and it is said that the little girl, who was coming down the street with other children from the school nearby, ran

into the street directly in front of the car.

She was struck by the radiator and knocked down in front of the car. The front axle cleared her, but one of the rear wheels ran over her. Mr. Grant stopped, and when he discovered the girl was badly hurt, hurriedly took her at once to the hospital. Dr. C. E. Simons was called, and found she had received a deep gash on the forehead, and a badly bruised hip, although no bones were broken, as far as could be ascertained.

### Clark Estate Hearing Continued.

The commissioners on the estate of the late Huber Clark, Samuel B. Harvey and P. J. Danaher, who were appointed a short time ago to sit upon the matter of two claims for personal services put in against the estate held a meeting Monday at the office of Attorney Harvey, and agreed to continue the hearing for two weeks on the request of counsel for the claimants.

### To Resume Meetings.

The Board of Trade and Business Men's association will resume its part in the social and business life of the town for the coming winter season to night, at the rooms of the association on Main street.

### Printing of Town Reports Delayed.

The printing of the annual town report is delayed this year, and the printers have issued a statement that the fault is not with them, but that they did not receive the reports in time for printing before election day, as has been the custom.

The town closes its accounts September 15th each year, whereas many other towns take September 1st as the time. The printers state they did not receive the reports until the 14th of the month. It is expected that the booklet will be ready for distribution by the time of the adjourned town meeting, which will probably take place Saturday of this week.

### Mother Sues For Daughter's Injuries.

Suit has been brought by Mrs. Marion Cohen, whose daughter was knocked down by a wagon owned by Merrill H. Jones of this city, on Pleasant street some weeks ago. Real estate owned by Mr. Jones has been attached, and the suit is brought for three thousand dollars.

The license vote was very close, the Yes ballots numbering 1008 and the No ballots 888, giving a majority of 120 for license about 200 less than the majority at the last election.
